Post Retirement Burial Benefit

Please read prior to designating a beneficiary!

Please be aware that this is a taxable benefit to the beneficiary.

If you are naming an individual as beneficiary for the sole purpose of paying funeral expenses, please be aware the release of these monies will create a taxable event for that person.

The beneficiary will receive a tax form 1099-R and be required to report the monies on their personal income tax return as taxable income.

If you intend for the burial benefit to pay your funeral expenses, you have the option to name the funeral home as the beneficiary. The funeral home will receive the payout and assume the tax liability for the monies.

To assign a funeral home as beneficiary, you must contact the funeral home and obtain their Tax Identification Number to complete the Designation of Beneficiary form in its entirety. If you choose this option, the Pension Office will, after being notified of your death, release all burial benefit paperwork to the funeral home. The funeral home will complete the paperwork, and payment will be released directly to the funeral home. The Pension Office sends the 1099-R to the funeral home and no individual will be responsible for reporting the taxable income.

Also, be aware your form must be  to be valid!
